Project Name: _____

Description

The minimalist style and innovative design give this pendant light a modern vibe, bringing extra dimension and depth to your ensemble. Five light arms position in different directions to create this quirky and timeless design. Exposed bulbs cast even, ample lighting and enhance the upscale look. With fine workmanship, it features a linear frame that is crafted from high-quality metal and finished in brass.

Dimensions:
Fixture Height: 38.5" (98 cm)
Fixture Length: 39" (100 cm)
